2. Audited Cash Accounts for July, August and September 1898.

Read and recorded.

3. Report of the Sub-Committee *re* the financial condition of the Board.

Read the Report of the Sub-Committee.

The Board expressed their regret that incorrect accounts should have been kept in the Municipal office and submitted to the Board from month to month, which gave a false idea as to the state of the balances at the credit of the Municipality and that the Comptroller's adjustments were not duly entered in the monthly accounts.

As regards the expenditure incurred by the Municipality on works in the Northern and Western Extensions and referred to in the Sub-Committee's report, the Board resolved that Government be requested to reimburse the Municipality in the sum of Rs. 12,340-5-10, being the amount expended in putting in order the several roads and in carrying out certain new works in both the extensions, as all the works required had not been completed by the Special Improvement Committee.

The Board next considered the point referred to in the Sub-Committee's report regarding the expenditure incurred by the Municipality for plague preventive measures. The advance of Rs. 10,500 sanctioned for carrying out all the remedial measures against the plague was ordered to be treated as a special grant from Government, *vide* Government Proceedings No. 13597-601—Mis. 126-95 of 19th June 1897. An expenditure aggregating Rs. 14,313-7-8 was incurred on this account, and charged in the Municipal accounts. But the special grant of Rs. 10,500 having since been included in plague grants and separately accounted for, the Board resolved that Government be requested to treat the above expenditure of Rs. 14,313-7-8 as a plague charge and sanction the refund of the amount, the same having been met by the Municipality out of their funds.

The Board further resolved that as recommended by the Sub-Committee, the Standing Committee for the examination and audit of accounts be revived and that the following Commissioners compose the Committee:—

Mr. D. Venkatramaiya. | Mr. R. Raghunatha Rao. | Mr. A. Somasundra Mudr.

The Board next considered the present financial condition of the Municipality. The Government had already come to their aid by granting a loan of Rs. 16,000, and a sum of Rs. 3,000 had been borrowed from plague funds to meet current emergent expenses. Including the over-drawal from the Treasury the Municipal liabilities aggregate nearly Rs. 30,000 at the beginning of this month. Funds being required to meet the current charges on account of establishment, Public Works, &c., the Board resolved that Government be requested to sanction a further loan of Rs. 70,000, or one lakh in all, the loan to be drawn according to actual requirements after pointing out the necessity to Government on each occasion. It is hoped that the Municipal finances will improve more especially after the proposed extension of Octroi duties comes into force. Proposals for the repayment of the loan will be submitted after the introduction of the new Octroi duties.

4. Government Proceedings No. 24999-25003—L. F. 82-92 of the 27th June 1895, passing orders on the final report of Bangalore City Improvement Committee.

Resolved that the subject be brought forward again before the next meeting and that in the meantime the required information be collected.

5. Question of interdicting the use of oil-mills within the limits of the City on sanitary grounds.

Resolved that the opinion of the Senior Surgeon and Sanitary Commissioner be obtained regarding the proposed removal of the oil-mills from the City.

6. Letter No. 2787, dated 5th April 1899, from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, recommending, increase of pay to the menial establishment of the Chattram Hospital, aggregating Rs. 47 per mensein.

Resolved that the increase recommended of which the Municipality bear one-third cost, be sanctioned tentatively for one year from 1st July 1899.

Notice, dated 1st May 1899.
